

THE FERTILE REMINDER was started in May, 1977 by the Fertile Community Betterment Club.

Most of the support for this small information and communication paper comes from the Fertile merchants.

Private notices and advertisements are \$1.00 for the first 15 words and 5¢ for each additional word.

Items for publication may be left at Jordan's Midland Service, or call 797-2686 or 797-2267.

* * * * *

All dogs that are not leashed or confined (DAY and NIGHT) may be picked up. Dogs will be kept 7 days and then disposed of unless called for by the owner, and a fine paid.

- Town Council

4-H CLUB NEWS

The Grant Livewire Lassies 4-H Club held a meeting August 20th. Materials

(cont.)

for record books were handed out. Teams for Volley Ball were chosen with girls and dads on each team for a fun night.

On August 24 the club members held a family party at the Mason City Swimming Pool. Afterwards they were at Baskin Robbins for lunch.

The Reminder regrets omitting Lorelie Jennings from the list of girls with Livestock Entries at the North Iowa Fair. Lorelie had the Overall Grand Champion Holstein.

The Fertile Valley Farmers Awards have not been made available for the Reminder.

CYSTIC FIBROSIS CAMPAIGN

Every day five new lives begin with Cystic Fibrosis. Every day three lives are lost because of this tragic disease.

These are grim facts, but CF is a grim disease, causing complication mainly in the lungs and digestive system. CF causes the body to produce a glue-like mucus which fills the lungs, creating an environment ideal for lung-damaging infections. Thick mucus also, frequently blocks the flow of pancreatic enzymes which are vital to digesting food. CF is still incurable.

The Cystic Fibrosis Foundation sponsors research to find a cure or control for the disease, which takes the lives of half its victims before age 19. To help raise funds for this vital research and for patient care and education programs benefiting children with CF, the Iowa Chapter of the Foundation is conducting the Breath of Life Campaign in Fertile. According to Sharon Ganz, Chairman, "Research is the key to the future for children and young people with CF, and care and treatment are the necessities for the present. Our community's support will help buy time through care and give hope through research to children and young adults for whom time is running out.

Fertile is holding its annual Breath of Life Campaign - September 23 - 29 - 1979. Mrs. Ganz urges everyone to support this campaign because "Each contribution helps to find a cure...to buy time before it is too late."

When someone comes to your house..... PLEASE HELP...
