The Junior members of the Fertile Valley Farmer's 4H Club recently toured some of the Des Moines area in a 2-day trip. They spent the first day at Adventureland Park, an amusement center. That evening after a camp supper and another visit to the Park, the boys pitched their tents in the campground where they stayed overnight. The second day the tour took them to visit the State Capitol, the Museum of History and the Living History Farms. There the boys visited the Pioneer Farm, the 1900 Farm, and the Farm of Tomorrow. All agreed the farm of today was still the best.

Charles and Carol Kleveland and Junior leader, Lewellen Bruns, accompanied the boys as chaperons. (Names of boys were in August Reminder).
